Proceeds Benefit US Vets Las Vegas

LAS VEGAS (February 8, 2013) – Prosperous Investments, LLC kicked off 2013 with the 3rd Annual Big Game Watch Party, a major charity event benefitting the US Vets Las Vegas, on Super Bowl Sunday at DB's Pong and Pool at Miracle Mile Shops inside Planet Hollywood Resort & Casino.

"You can't beat the size of the venue," said Prosperous Investments, LLC founder Dr. Paul Prosper. "The venue was built with the ultimate party atmosphere in mind."

DB's Pong and Pool transformed its 20,000-square-foot two-story pool hall and sports bar into the ultimate watch party experience with more than 50 TV screens and 7 projection screens for football revelers to enjoy the big game. Besides the football action, attendees enjoyed a six-hour gourmet buffet and premium open bar. DB's turned into a larger party atmosphere with DJ So Hype live in the mix with a three-hour hip-hop DJ set after the game.

The Big Game Watch Party was more than just a party, it was a party with a purpose as it raised more than \$1,000 for US Vets Las Vegas, an organization dedicated to providing housing, counseling and career development support to military veterans and their families.

For the past two years, Prosperous Investments, LLC held its signature upscale Big Game Watch Party at the Trump Tower Las Vegas, but decided to try something new and innovative with the venue change.

"Each year, we strive to make this event better than the previous year," Prosper said. "I feel we have reached the perfect formula for a most successful event this time around."
