

FOR IMMEDIATE RELEASE

5K Tech Solutions Form Partnership with Prosperous Investments

DALLAS (December, 2012) – Prosperous Investments, LLC ended 2012 forming a very strong partnership with 5K Tech Solutions. Prosperous Investments has been doing business with 5K Tech Solutions since 2011 and was extremely impressed with the professionalism and quality of 5K Tech Solution’s work.

5K Tech Solutions provide website development, Share-point architecture, website hosting and maintenance solutions for clients and businesses of all sizes and scope.

“Once I started working with 5K and I saw their high quality customer service, I knew I was working with a special group” said Paul Prosper, owner of Prosperous Investments.

5K Tech solutions created <http://pprosperllc.com>, Prosperous Investments, LLC’s website in 2011 and has hosted and maintained it since.

Working with Prosperous Investments, LLC has been a great delight and privileged to have a strategic collaboration, would like to thank Dr. Paul Prosper, founder of Prosperous Investments, LLC for all his unaccountable contributions to make this whole engagement very successful.

With an amicable partnership between Prosperous Investments, LLC & 5K Tech Solutions, we look forward to helping our wide range of customers & clients with their technological needs leveraging on our core competency and focused services.
